2018 YARRA JUNCTION PINOT NOIR

Yarra Junction is our coolest site located in the far eastern Yarra Valley, next to Wesburn. Situated on gravelly soils, this north eastern site receives cooling influences off the surrounding mountains and is protected from the afternoon sun. Yarra Junction will appeal to those who prefer a more accessible style. It offers femininity and fragility almost within the context of a classic European Pinot.

TASTING NOTE

We have chosen not to provide traditional tasting notes for any of our wines. Our wines hopefully capture vineyard life and vitality. As such the wines are constantly evolving. The only tasting notes that matter are yours.

We recommend decanting this wine prior to serving. (14-16 degrees)

VINTAGE CONDITIONS

2018 growing season was broken into two halves. With a wet winter and spring, the vines surged into summer with good vigour and available soil moisture (coupled with high disease pressure). Summer shifted gear into above average temperatures and below average rainfall.

WINE ANALYSIS

Alc/Vol: 11.5%
Acidity: 5.4g/L
pH: 3.47
