

# MAC FORBES

## 2020 EB59 Fo' Rizzle RIESLING

*Our EB (Experimental Batch) wines are used for small interesting batches of wines that push through boundaries of either viticulture or winemaking. They represent a challenge to ourselves in terms of either a new viticultural or winemaking direction.*

### TASTING NOTE

We have chosen not to provide traditional tasting notes for any of our wines. Our wines hopefully capture vineyard life and vitality. As such the wines are constantly evolving. The only tasting notes that matter are yours.

We recommend decanting this wine prior to serving. (10-12 degrees)

### VINTAGE CONDITIONS

A steady and consistent season in the Strathbogie Ranges, 2020 gave our Caveat vineyard a unique opportunity to shine. Rain events at key points in the season were handled well by these mature, dry-grown vines and the long warm days on the eastern face of the Ranges produced high quality fruit with racy acidity, firm structure and effortless phenolics.

### WINE ANALYSIS

Alc/Vol: 11.5%  
Acidity: 7.63g/L  
pH: 3.20
