

MAC FORBES

2020 RS95 RIESLING

We have always been overwhelmed by the presence of our Caveat vineyard in the Strathbogie Ranges. A supposedly sealed road that wanders north from Yea climbing to the elevated granite soils that sit 600m above sea level. Generally 5 degrees cooler than the valley floor, this small vineyard is surrounded not by other vineyards but rather unforgiving grazing land.

TASTING NOTE

We have chosen not to provide traditional tasting notes for any of our wines. Our wines hopefully capture vineyard life and vitality. As such the wines are constantly evolving. The only tasting notes that matter are yours.

VINTAGE CONDITIONS

A steady and consistent season in the Strathbogie Ranges, 2020 gave our Caveat vineyard a unique opportunity to shine. Rain events at key points in the season were handled well by these mature, dry-grown vines and the long warm days on the eastern face of the Ranges produced high quality fruit with racy acidity, firm structure and effortless phenolics.

WINE ANALYSIS

Alc/Vol: 7.5%
Acidity: 8.9g/L
pH: 3.11

VINEYARD

Town: Caveat
Region: Strathbogie Ranges
Planted: 1983
Area: 5 Acres
Clone: AV702352
Aspect: East
Soils: Granitic
Altitude: 600m
Harvested: 24th March 2020

WINEMAKING

Fruit: De-stemmed and crushed before pressing
Maturation: Stainless on fine lees
Yeast: Indigenous
Fining: None
Filtration: Sterile
Bottled: 28th August 2020

LABEL

RELEASE DATE

10th October 2020
