## 2020 EB62 Field of Rosés SYRAH ROSÉ

*Our EB (Experimental Batch) wines are used for small interesting batches of wines that push through boundaries of either viticulture or winemaking. They represent a challenge to ourselves in terms of either a new viticultural or winemaking direction.*

### TASTING NOTE

We have chosen not to provide traditional tasting notes for any of our wines. Our wines hopefully capture vineyard life and vitality. As such the wines are constantly evolving. The only tasting notes that matter are yours.

### VINTAGE CONDITIONS

The 2020 season in the Yarra Valley will forever be remembered as a highly unusual and impossible to predict vintage. Significant weather events during flowering meant low yields, and erratic temperatures in December and January saw unprecedented ripening behaviour across many varieties. February rains were both welcome and anxiety-inducing, but ultimately the maturity and stability of the vines in our best parcels allowed fruit quality to shine through.
