

# MAC FORBES

## 2020 EB63 Princess Leia ALIGOTE

*Our EB (Experimental Batch) wines are used for small interesting batches of wines that push through boundaries of either viticulture or winemaking. They represent a challenge to ourselves in terms of either a new viticultural or winemaking direction.*

### TASTING NOTE

We have chosen not to provide traditional tasting notes for any of our wines. Our wines hopefully capture vineyard life and vitality. As such the wines are constantly evolving. The only tasting notes that matter are yours.
