## 2020 'FERGUSON' WOORI YALLOCK PINOT NOIR

*At 1.36ha, the Ferguson vineyard in Woori Yallock has been leased by Mac Forbes Wines since 2012. The south facing aspect delivers relief to the vines from hot northerly winds. This unique vineyard, planted in 1995, produces stunning fruit in both hot and cooler years and captures much of what we are seeking in terms of suitability of variety to site.*

### TASTING NOTES

Bang... stones. Crushed red fruits, spice, depth and weight. So keen to dive in.

The front palate rushes to the back allowing space and time for the DNA of Ferguson to shine. Chalky grip in a firm handshake kind of way. Holds, but reassuring. I want more. And I can only imagine where this wine will take us in the years ahead.

We recommend decanting this wine prior to serving between 12-16C°.

### VINTAGE

We cannot wait to share these wines. They are outstanding, and we are very excited. They are different. They are gorgeous to open and take time to get to know. Odd can be wonderful. And they will age incredibly well. The surprises will come for years... It's like the turning of pages of the years; the story keeps coming. So please give these wines a chance. They deserve it, and you'll get happily rewarded.
